**SELLER FINANCING AVAILABLE - PRICE REDUCED \$85K - MOTIVATED SELLERS** - Introducing a captivating home that seamlessly blends modern living with sustainability. This recently renovated residence boasts a brand new state-of-the-art feature that sets it apart – brand new solar panels - reduced cost of electric bill to less than \$35 per month! Nestled in a quiet neighborhood, this eco-friendly

haven is designed for those who appreciate style and energy efficiency. The solar panels, meticulously installed on the roof, harness the power of the sun to provide clean and renewable energy, resulting in remarkably low electricity bills. Home was renovated in 2023. The interior of the home showcases a thoughtfully designed layout, open living spaces that flow seamlessly from room to room. The kitchen is a chef's dream, featuring modern appliances and spacious layout perfect for entertaining guests. The bedrooms offer comfort and tranquility, a retreat for relaxation. Step outside to discover a shimmering pool and spa with an advanced heating and chilling system. Ideal for long walks or cycling. Community is conveniently located near Burnt Store Marina for boating, golf, fishing, kayaking and restaurants.
